BUILDING YOUR DREAM HOME

---

Stylish Home Interior is a sister concern company of SH Group India, a leading group in India, known for German based Engineering, Structuring, Technology, Creativity & Quality. Today, Stylish Home Interior is one of the UAE's most prestigious brands that values beauty in Wood Manufacturing that are genuine works of art

## Managing Director's **MESSAGE**

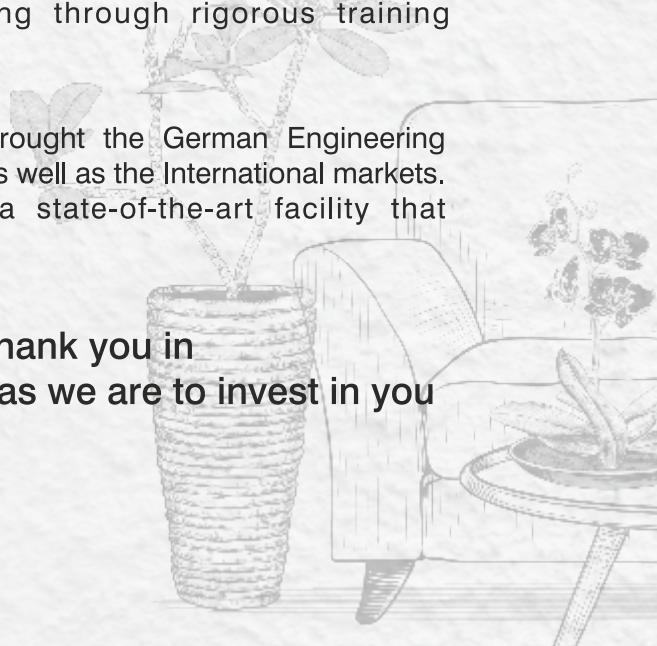

Mr. Viraj Jadhav (MD)

**"The Success of an organization is derived by the tenacity of our team. Every day is new level of dedication by core team & field teams"**

Constant innovation, search for newer technologies, better quality and a futuristic approach toward business keeps Stylish Home Interior abreast of all competition. Our vision is to become a global supplier by opening a multitude of manufacturing facilities across the globe. We pride ourselves in having the newest and most advanced equipment in the market and a skilled manpower that is continuously evolving through rigorous training programs

Due to huge demand from the clients we have brought the German Engineering and Quality to the UAE Market to cater the local, GCC as well as the International markets. We have focused our decision(s) on having a state-of-the-art facility that produce quality products in a timely manner.

We would like to take this opportunity to thank you in advance and ask from you to invest in us as we are to invest in you

## WORK WITH US

# About Us

Stylish Home Interior known for its designs and aesthetics is now in UAE. With a history of Quality Stylish Home Interior has been the forefront in applying innovation at work. This simple philosophy has been the keystone of all our processes and technologies. It has led us to design and deliver modern lifestyle statements that have become synonymous with contemporary living. We are one of the largest seller of Wood Manufacturing in the UAE market.

Stylish Home Interior is inspired by Italian designs and Quality of German Engineering, all items are made with outstanding handcrafted techniques. Unlimited creativity, great craftsmanship of its master cabinet makers, and total customer care are some of the qualities of Stylish Home Interior personality that has invested on its passion, the love for handcrafted pieces of best quality.

# KITCHIBELLA

Stylish Home Interior is to become a global supplier of quality doors, cabinets, office desks and our own Branded kitchens under "KITCHIBELLA". The vision is to design flat box cabinets, office furniture as well as kitchens for the ease of shipping worldwide.

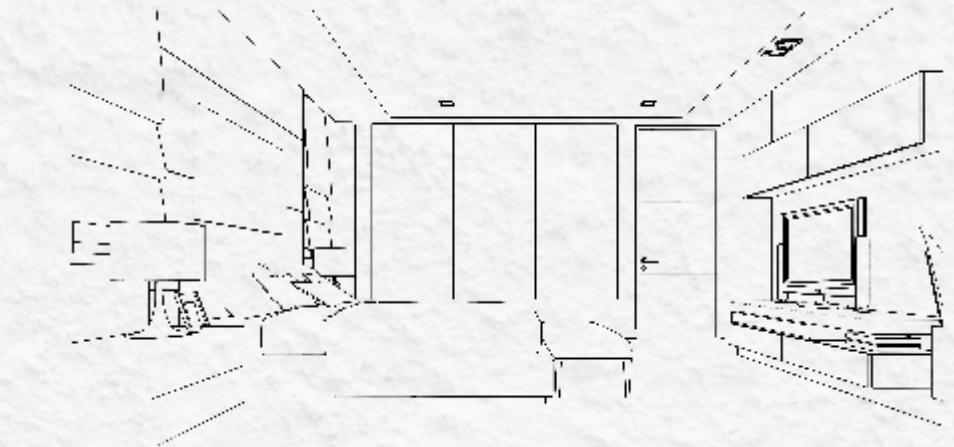

Currently we are operating out of UAE and once we have gained worldly market share we will be setting up other facilities to handle our demand. Our daily manufacturing capacity is capable of supplying 200 doors as well as 2002.5 square meter cabinetry

With a total strength of 300 employees we achieve monthly sales of around 20 million AED and we are planning to double that by introducing a secondary shift from 5pm till 2am pushing our sales revenue to 250 million AED annually.

## STYLISH HOME INTERIOR

### Team

The Stylish Home Interior Team consist of over 500 highly qualified carpenters, veneer installers, assemblers , foremen, as well as painters divided upon nine self-sustained and well organized departments. The office staff consists of designers, site and in house engineers, sales, accountants as well as senior management.
